

RISK MANAGEMENT POLICY

TNB INTEGRATED LEARNING SOLUTION SDN.BHD

200601004984 (724733-U)

(A Wholly Owned Subsidiary of Tenaga Nasional Berhad)

We are committed toward effective risk management through the implementation of the TNB Risk Management Framework for the achievement of our objectives.

Risk is defined in TNB-ILSAS as anything that has the potential to prevent the organization from achieving its objectives.

We will:

- **Identify and assess risks in alignment to our business objectives;**
- **Integrate risk management in all decision-making processes;**
- **Anticipate potential risks in response to changes in the internal and external environments; and**
- **Ensure that risk information is communicated through a clear and robust monitoring and reporting structure.**

All TNB-ILSAS employees are responsible and accountable to manage risks related to their actions and decisions by taking all reasonable care to minimize loss, maximize opportunity and ensure TNB-ILSAS's reputation is upheld, in alignment to the direction set by the company.

We believe that effective identification and management of our risks will result in informed decision-making and improved performance.
